New Ethics Program for 2018 – YQCA Yearly Online Ethics Course

Starting this year, we will be switching over to the YQCA, Youth for the Quality Care of Animals, for our ethics requirement in order to stay with the California State Fair. This is an annual course that is taken online (the course is about an hour long) and can be completed at any time before entering for the 2018 Alameda County Fair. When you have passed the course you will receive a certificate of completion, which you will need to upload when you enter your animals online or provide a copy with your paper entry. If you do not upload your certificate of completion of the program when you enter, you must bring a copy to the mandatory exhibitor meeting prior to fair (Wednesday, June 13th) in order to pick up your exhibitor packet. **NO EXCEPTIONS!** Every third year exhibitors will have to attend an in person training that will be held at the fairgrounds.

Who has to take it: All 4-H & FFA Market exhibitors must take the online course, and upload their certificate of completion when entering online (or submit a copy with your paper entry or bring a copy to the exhibitor meeting). Since YQCA has not yet developed a parent/leader course, we will not be requiring leaders to take it this year. That will change once they develop a course specifically for leaders.

To register, go to <https://yqca.learnrow.io/Account/Login> and make an account. You will need to make a separate account for each exhibitor (siblings cannot take the course together; they each need an individual certificate to enter at the fair). The course is \$12 per exhibitor. Clubs/projects have the opportunity to fundraise to cover the costs, as YQCA does offer coupon codes that are one-time use codes that cover the registration costs. You can find more information about the coupon codes here:

<http://yqca.org/buy-coupons/>

More about YQCA: Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21. The program is designed to provide an estimated 60 minutes of education each year. The online program requires the passing of a series of three quizzes to earn certification. YQCA is the result of a collaborative effort between states that have previously offered multi-species youth livestock quality assurance programs, the National Pork Board's Youth PQA Plus program and representatives from other national livestock groups. YQCA is designed as an annual education and certification program focused on food safety, animal well-being and character awareness for youth ages 8 to 21 producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, market rabbits, and poultry.

More about the Online Course: The online program includes three components for each topic (food safety, animal well-being, and character development): 1) knowledge builder, 2) skills lab and 3) quiz for each content topic, and are designed specifically for each age group. To fulfill their year of training, youth will complete three of these online modules. The knowledge builder allows students to learn new information in an engaging, age-appropriate and interactive format. Students can read content, watch videos, analyze pictures, and practice skills while progressing through a series of interactive content components. Skills labs offer realistic situational opportunities for youth to apply the new knowledge gained in the knowledge builder. These labs take students through a comprehensive journey of the content, requiring them to apply skills and make decisions resembling those they will face in real life. The quiz is the final piece of the online learning experience, testing student's overall knowledge of the content. Students can receive immediate feedback or see their results at the conclusion of the quiz. A pass rate of 80% has been established with students being able to repeat the module if needed.

Youth Livestock

(All State and Local Rules Apply)

ELIGIBILITY

1. Livestock Exhibitors are held responsible for knowledge of all State Rules.
2. **All Market Exhibitors must complete the mandatory ethics training (YQCA) online class. No exceptions. Each exhibitor must turn in either a digital or physical copy of the certificate of completion by the mandatory exhibitors meeting on Wednesday, June 13th in order to pick up credentials for the fair. More information about the new ethics program can be found on page 5.**
3. **Open to Alameda County youth organizations only or Independent Exhibitors residing in Alameda County.**
4. Exhibitors must be present at the time of weigh-in, judging, and auction of his/her livestock unless management approves otherwise
5. **OWNERSHIP:** Market beef must be owned 120 consecutive days prior to opening day of fair. Market sheep & market goats must be owned by the date of tagging. Market swine must be owned 70 consecutive days prior to the opening of fair. Breeding Beef must be owned 60 days prior to Fair.
6. Once an exhibitor has shown a species in one organization, 4-H or FFA, they cannot show that species in the other organization during the current project year (August 15, 2017 to August 14, 2018).
7. A youth exhibitor cannot enter in the Open Division if they are eligible to enter in a Youth Division class that is offered. If an exhibitor does so, they are no longer eligible to show as a youth in that species at the Alameda County Fair at any time.
8. **Fair Management reserves the right to dismiss animals deemed unsafe.**
9. NOTE: ONLY LOCAL YOUTH EXHIBITORS eligible to show at this Fair are allowed to handle, groom, and care for the animals. Others are only to advise. A statement signed by three advisors, barn supervisors, and/or leaders filed in the Livestock Office stating specifically that violations have been observed will automatically hold up cash awards and may cause the member and/or animals to be disqualified from all awards and ribbons, further competitions, and/or removal from Auction and/or Fairgrounds.
10. **There will be a 10:00 p.m. – 5:30 a.m. CURFEW in the barn.** No one will be allowed in the barn area between these hours except Authorized Fair Staff and Security. No one will be allowed to sleep in the barn area without official permission.
11. No dogs will be allowed on the Fairgrounds, except under special circumstances.
12. **Where there is insufficient competition, the Fair may combine 4-H and FFA classes.**
13. Youth Independent exhibitors will be required to declare their intent to show as Independent by January 31 of each calendar year.
14. Youth Independent exhibitors will show in the 4-H division appropriate for age of exhibitor. If 10 or more market animals are exhibited in one division a separate independent division will be provided. All other state rules apply for Independent exhibitors.
15. Independent exhibitors are to complete a standardized record book, document a community service project, as well as a Species-related educational experience or element. Independent exhibitors will need to complete a minimum of 8 volunteer hours at the fair, and submit proof of ownership and insurance.
16. **SAFETY:** Exhibitors, parents, and leaders are responsible to ensure the livestock facility and activities are safe for themselves and the public. **Animals are not allowed outside the barn area.** Keep animals off paved area walkways. Animals must remain in their species area (example: sheep are not allowed in beef area).
17. **Pop-up tents cannot be put up prior to your session. Livestock office will confiscate pop-ups left after every session.**
18. NO private sale posters may be posted in the livestock area

RESPONSIBILITY

1. Greatest care will be exercised in handling exhibits, but the Fair Association, its staff and department coordinators, and the County of Alameda WILL NOT BE HELD liable for loss, theft or damage of any kind from any cause. Submission of entry constitutes an agreement to this effect.
2. Liability insurance is the responsibility/at the discretion of the junior exhibitor to cover themselves and their exhibits.
3. All reasonable measures will be taken to ensure safety of animals, exhibitors, and public. Exhibitors are expected to help by keeping gates closed and aisles neat and clear of cords, equipment, etc.
4. **Violations of Rules:** Exhibitors and attendants of any exhibit violating any local or state rule, or permitting the violation of any rule, shall be subject to suspension by the Board of Directors and will be disqualified from receiving awards.
5. All Youth Livestock Exhibitors must attend the MANDATORY Pre-Fair Youth Livestock Exhibitor Meeting on Wednesday, June 13 at 7:00 p.m. **IT IS THE PARTICIPANT'S RESPONSIBILITY TO BE AWARE OF ANY POSTED INFORMATION.**

Enter ONLINE by April 25th. Click here to enter: <http://alamed.fairwire.com>

If you have any questions, please email livestock@alamedacountyfair.com or call (925) 426-7611.

Youth Livestock

- All Exhibitors must have completed all requirements set by their respective organizations. Project books must contain up-to-date records of projects on exhibit and must be available for inspection upon request. Any 4-H or FFA entry for which a project book is not available may be disqualified. Leaders will be responsible for verifying that the exhibitors have met all meeting attendance requirements.

ANIMAL CARE

- All animals must be properly cared for at all times and pens/stalls/tack areas/aisles must be properly cleaned. **Do not put dirt in trash cans.** Keep sweeping and dust to a minimum.
- No water troughs in the barn unless pre-approved by Livestock Coordinator.
- Do not leave empty feed pans in the pens.
- Pens are to be cleaned by 9:00 a.m..
- No bedding will be provided to livestock exhibitors by the fair. Fair management will arrange for an outside vendor to service exhibitors on grounds for straw and shavings needs. Pricing information will be provided to exhibitors prior to fair.
- All exhibitors **MUST** dispose of straw and shavings properly so no cross contamination occurs.

BREEDING ANIMALS

- To avoid penalties, see State Rules. State rule identification requirements will be required for animals at least 6 months of age to avoid penalty.
- A permanent ear tag or tattoo is required. This must be in place prior to entrance to fair. No tattooing on site.
- REGISTERED ANIMALS:** Once an application for purebred registry has been made, animals will be considered as registered and State Rules for registered animals will be enforced. Such animals are not eligible to show as grade animals.
- All original registration certificates must be submitted to the Management by the time printed in the schedule and individual sections and must be available at all times. Failure to do so will result in entries being automatically disqualified. No faxed registration papers will be accepted after the start of judging for that species. See State Rules. Breeding Beef must be owned 60 days prior to Fair.
- GRADE, RANGE AND UNREGISTERED ANIMALS:** Refer to State Rules, VIII Livestock Department, Definitions

MARKET ANIMALS

- No junior may exhibit a market animal that has been sold through a fair livestock auction whether or not there is an actual change of ownership.
- No animal overly fatigued or stressed will be weighed. Animals must be weighed at the assigned time to qualify for judging unless prior arrangements are made with management. If there is any question concerning weight, animals must be reweighed **IMMEDIATELY**, without exercising or leaving the area.
- Any unnatural, inhumane weight control prior to weigh-in is prohibited.
- All breeds will be called at weigh in by an official breed caller. Animals will be transferred to the appropriate class if needed. The breed caller's decision is final.
- Management will determine the number of market classes to be judged after weigh-in and animals will be assigned to classes based on weight.
- Animals consigned to Auction will not receive cash awards.
- Although the fair will list available breed divisions in anticipation of possible entries, a minimum of 5 animal entries are required per division offered. All divisions with fewer than five entries will be combined at the discretion of livestock show management. Swine breeds with 15 or more animals weighed in will receive their own division.
- All market animals must have official ACF ear tag button, as well as ACF issued tamper resistant ear tags, except those animals specifically deemed for feeder classes. If one tag is lost, call the Fair and it will be replaced. If both tags are lost, they will be replaced, but the animal will not be eligible for Champion Drive.
- All Breed and Reserve Breed Champions will have their ear tags rechecked prior to entering the ring for Champion Drive.**
- All market beef must be weighted, and tagged, approximately 120 days prior to fair. Market lambs and market goats must be tagged at least 60 days prior to fair. Market swine must be owned at least 70 days prior to fair. Please bring the required copy of your bill of sale to the tagging.
- Market lambs and market goats must have Scrapie Premise ear tags or they will not be tagged. If a market lamb fails inspection, exhibitor has a maximum of 3 days from the official tagging date to bring a replacement lamb to the fairgrounds to be tagged by Livestock staff. Exhibitor will also be required to take replacement market lamb to the official Fair veterinarian (the one who was present at the official tagging date) for an individual inspection within 10 days of the official tagging date and provide proof of this inspection to the Exhibit Office staff by 5:00 PM. The exhibitor will be responsible for paying the veterinarian bill for this additional health inspection.

If you have any questions, please email livestock@alamedacountyfair.com or call (925) 426-7611.

Youth Livestock

12. Market swine leaders will receive the ear tags and will be responsible for tagging and for taking a picture of the exhibitor with their market hogs with tags attached. The leader must be in the picture as well.
13. Breeding animals may not also be shown as market animals.
14. Lambs exhibiting callipyge characteristics and all animals exhibiting rectal prolapse are not eligible to sell.
15. Exhibitors may enter an unlimited number of animals, but are only allowed to actually bring three market beet or market swine or five market sheep or market goats to the Fair, not including feeder animals.
16. Exhibitors are required to sign the Exhibitor Agreement/Drug Residue form and turn them in at the vet inspection upon arrival on the fairgrounds. Animals will not be weighed unless the form is turned in a complete.
17. Livestock Grooming Restrictions: No hair or skin dyes, paints, or colorants (including powder and shoe polish) are allowed to be used on the fairgrounds. Exhibitors may continue to use oils or clear coat products to enhance shine.
18. Animals raised in a cold box are not eligible to participate in the Alameda County Fair.
19. All Breed Champions and Reserve Breed Champion market animals will be required to submit a urine sample immediately following their selection for drug residue testing.

CATTLE REQUIREMENTS

1. All cattle coming to or going from the Fair must be accompanied by a transportation form. One permit per load is necessary during transit to and from the Fair. Proof of ownership is required when the brand on the animal is different than the person transporting the animal.
2. Cattle coming to the Fair to be offered for sale must have the yellow certificate, transportation or consignment form, and proper proof of ownership. Proper proof of ownership MAY consist of brand inspection certificate or a sales yard receipt in the exhibitor's name.
3. Any steer without the above will be disqualified from judging and sale.
4. See State Rules for out-of-state cattle.

ANIMAL HEALTH

1. Member, veterinarian, species leader or Livestock Coordinator representative must administer all pharmaceuticals.
2. ALL PHARMACEUTICALS administered to livestock at the fair must be approved by show management prior to use. Exhibitors are required to submit a completed Livestock Medical Form to the Livestock Office to obtain this approval. Failure to do so could result in disqualification of exhibit or other appropriate discipline.
3. Any vet expenses occurring during fair time are the responsibility of the exhibitor. The Fair reserves the right to perform a postmortem exam of any animal that dies at the fair, at the exhibitor's expense.
4. If there is an indication of any unhealthy animals at the Fair, such animals, herds, or flocks will be removed immediately and will not receive cash awards, if awarded.
5. To eliminate delay in treatment of a sick or ailing animal, the owner extends authority to take such action as deemed expedient and necessary by the Fair Management, when and after diligent attempt have been made to contact the owner or agent of said exhibit. Fair Management has Power of Attorney for the exhibitor in this instance and by virtue of entry into competition; the Alameda County Fair Association will not assume any cost for action taken pursuant to this rule.
6. **Drenching of animals is NOT allowed** unless medically necessary and must be performed by official fair veterinarian.
7. Only sheep purchased from scrapie compliant breeders, and meeting state-mandated identification requirements, are allowed on fairgrounds. See State Rules..

1. Contestants shall be the 1st place winner of FFA Advanced, 4-H Advanced or 4-H Junior Showmanship of the following species: Market Beef, Dairy Cattle, Dairy Goat, Market Goat, Market Lamb, Market Swine, and Horse.
2. A member may only enter Master Showmanship with 1 species. In the event a member wins 2 species contests, the 2nd place winner will enter Master Showmanship in the species not entered by the 1st place winner. Double species qualifiers must declare in writing to the Livestock Office within one hour after conclusion of the final livestock showmanship event, which species he/she will represent in Master Showmanship.
3. In order for the species winners to be included in Master Showmanship, there must be at least three exhibitors in the qualifying class.
4. The showmanship class will be conducted by using the same number of animals in a class as exhibitors, with the exception of Horse. For example, if there are 5 species winners in the contest, then 5 animals of that species will be used. Animals used in Master Showmanship are not to be owned by the exhibitor. The showmanship judges will rank the exhibitors in each species.
5. The exhibitor with the lowest composite total of the rankings will be declared the winner.
6. Additional rules/guidelines/clarifications or other information may be posted on site. It is the participant's responsibility to be aware of any posted information.
7. Winner represents Alameda County Fair in the Best of Shows competition at the California State Fair.
8. An exhibitor may win Master Showmanship at Alameda County Fair no more than two times.
9. All species of animals will be included in the contest regardless of the number of participants. For example, if only 4 exhibitors qualify under rule number 3, they will still show all 7 species.

Alameda County Fair Supreme Champon Market Animal Exhibitor Award

The Supreme Champion Market Exhibitor Award is a sweepstakes style award based on accumulation of points earned by market livestock exhibitors in each of the four large livestock species: Beef, Sheep, Goats and Hogs.

Exhibitors earn points in each of the four market species divisions through their efforts to participate, as well as their performance in, various contests and activities. Points or scores earned will be applied as they pertain to each market species. IE: if an exhibitor shows both market beef and market hogs, their market beef showmanship score will only count towards their point accumulation for the Beef contest.

Exhibitors will also earn points through participation in overall/general livestock contests or points category (ie skill-a-thon, Livestock Judging Contest and Livestock Promotion booth) and these points will apply universally to each of the market species being tracked for each exhibitor.

Rules:

1. Pre-entry required. Exhibitors should make sure to enter the divisions listed under scoring criteria in order to accumulate points.
2. Exhibitors may enter and compete in each of the species in which they exhibit and sell an animal at the 2018 Junior Livestock Auction.
3. No points associated with the actual placement of animals in the live market judging classes will be used to determine this award.
4. Grand Champion Market Exhibitor will be selected in all four market species. The overall Supreme Champion will be selected from these four Grand Champions.
5. Winners will receive special recognition as they sell their animals during the Junior Livestock Auction, but animals will remain in the auction lot order as determined by actual live placement in their market class.

Scoring:

Exhibitors can earn points **per market species** in the following areas:

- Market Showmanship (105 points possible for participation & final score)
- Individual Herdsmanship (average scored by a panel of judges; 60 points possible) **Automatic Entry**
- Public Speacking or Presentation – topic specific to species (105 points possible for participation & final score) **Pre-Entry Required**
- Poster/Panel Exhibit Display placing (40 points possible) **Pre-Entry Required**
- Livestock Promotional Booth. Sign up for shifts at exhibitor's mandatory meeting (25 points possible through volunteer participation)
- Prior year's carcass contest score/placing

Exhibitors can also ear additional points in the areas below. These points will be applied to each of the species the exhibitor is showing.

- Skill-a-Thon (125 points possible for participation and final score) **No Pre-Entry Required**
- Livestock Judging Contest (125 points possible for participation and final score)

Division 1875 – Champion Exhibitor Contest

Livestock Auction

Sunday, July 8th at 8:30 a.m.

A very special “Thank You” to all of our hard working Alameda County Fair Livestock Auction volunteers!

Rules:

1. Sale animals will not receive cash awards for judging.
2. Qualification to sell: Market Ready.
3. Management reserves the right to disqualify animals from the sale.
4. One exhibitor may sell no more than two animals at auction, only one of which may be a steer, unless one of the following occurs:
 - a. ALL 4-H AND FFA CHAMPIONS AND RESERVE CHAMPIONS MUST SELL (AS WELL AS SUPREME AND RESERVE SUPREME CHAMPIONS). In the event there are three or more of these champions owned by one exhibitor, this rule will take precedence.
 - b. In the event an exhibitor has two or more champions or reserve champions other than Beef, then the exhibitor may sell one market beef in addition to his champion animals.
 - c. In the event a small animal exhibitor has two or more champion or reserve champion meat pens, the he/she may sell 1 large animal in addition to his/her Champion pens.
5. The exhibitor must be present at the Auction to sell any animal.
6. No animal may be sold more than once. There will be no resale for charity or other purposes.
7. A 5% charge of the purchase price of each animal sold at auction will assessed by the Alameda County Fair Association in order to defray defaults in payments by buyers, incidental auction expenses, and other contingencies that may arise.
8. Sale checks will be mailed out to the exhibitors/sellers approximately two weeks after the auction.
9. Sale animals will be released as directed by Management.
10. No vehicles on grounds between 8 a.m. and 10 p.m. Tack may be carried out the gate.
11. There will be a \$3.00 processing fee assessed by Superior Farms for all lambs going through the auction. This fee will be deducted from the auction checks.
12. Amador Pavilion will be closed after the close of auction for load out of auction animals; only fair staff and load out crew will be allowed in the barn.
13. All intent to sell forms must be turned into the Livestock Office by 7:00 p.m. on Tuesday, July 3, 2018 at 7:00 p.m. If intent to sell form is not turned in on time, the animal will NOT be sold at the Alameda County Junior Livestock Auction. No exceptions!

Processing Requirements:

1. All Overall Champion and Reserve Champion (4-H, FFA, Supreme) Swine, Beef, Sheep and Goats will be sent to processing plants. These animals must go custom or resale, no live pick ups.
2. All animals destined for process after the Auction should be delivered only to licensed processing plants (Sections 357-359 of California Agriculture Cod). All animals purchased for carcass retail or use in hospitals must be fully processed at a federally inspected plant.
3. The fair will only ship to the lockers listed on the sales invoice.
4. WILL TAKE/LIVE PICK UP disposition is discouraged.
5. Any animal not accepted by the processing plant and verified “Unfit” by a veterinarian or qualified inspector will be replaced by SELLER with animal of similar grade or quality.
6. The only accepted change orders after sale will be for disposition.
