

Stock Trailer Parking

The Alameda County Fair is excited to continue our trailer storage program. Working in concert with you and all other partners, we look forward to accomplishing the following goals.

1. Clear direction and understanding before you and your team arrives for load-in.
2. Peace of mind knowing you have space(s) to fully accommodate your storage needs throughout the Fair-season.
3. Cleaner presentation for Fair guests.
4. Convenient access in and out of your trailer(s).
5. Increase safety by ensuring all trailers are accounted for and are the property of our partners.

To help expedite this process, please take a moment to fill out the below. This will allow us to pre-assign the necessary storage space(s) and prepare your trailer’s Storage ID Card. All Storage ID Cards will be distributed to you and/or your staff in your Welcome Packet when the check-in process is completed inside the Vendor Office located in Building A.

We strongly encourage you to complete the check-in process the same day you arrive. This will ensure your trailer is properly stored in its designated location.

Trailers parked on grounds without the proper Storage ID Card and/or outside their designate spaces for more than 24 hours will be subject to a **\$250 fine per day**.

The Alameda County Fairgrounds is happy to provide this service to you for no added cost. Your success, the customer experience and safety are top priorities to us.

If you have any questions, please feel free to contact your representative at the Alameda County Fairgrounds.
